## 'No nukes!' Protest in front of business HQ

September 26, 2012

About 1,300 citizens on September twenty-five staged a protest in front of the p Business Federation (Nippon Keidanren) building Against Increasing business pressure on the Government to ignore public Demand and to Continue Promoting Nuclear energy. The event took place under the Leadership of a People's Coalition Which Organizes Anti-Nuclear demonstrations every Friday in front of the Prime Minister's Office. A forty-year-Old woman Said, "I've Believed That Our Society Experts make work for U.S., but I'll no longer leave it to OTHERS." A 44-year-Old man Said, "As I took part in the weekly demonstrations in front of the PM Office, I Became aware who the Puppeteers Are really moving the Government." The Government was about to approve a NEW energy Which Strategy . AIMS for the elimination of Nuclear power Operations WITHIN the 2030S at a Cabinet Meeting on September 19 However, just Before the Meeting took place, Representatives of p's three major business Organizations (Nippon Keidanren, p Association of Corporate Executives – Keizai Doyukai, and p Chamber of Commerce and Industry – ". Society Will not Accept That The business policy" ICCI) News held a joint conference, demanding the retraction of the "zero" policy Keidanren Chairman Yonekura Hiromasa Nuclear Stated, The Government then Decided not to approve the new energy strategy at the Cabinet meeting.
